## Experience

### **Scholar, Mentor Me Collective**

*Ho, Volta Region — 02/2025 - Current*

- Selected for the Grow with Google scholarship to develop industry-relevant skills in EMEA/UX Design. Engaging in hands-on training and coursework to earn a professional certification.

### **Track Lead, Mentor Me Collective**

*Ho, Volta Region — 02/2025 - Current*

- As an EMEA UX Design Track Lead for the Grow with Google (GWG) program, I support and mentor fellow learners by facilitating UX design study groups, guiding and inspiring participants, and collaborating to maintain an active and engaging growth environment.

### **Ambassador, OrangeTech**

*Accra, Greater Accra Region — 11/2024 - Current*

- Representing a fintech app revolutionizing financial management, helping individuals discover smarter financial solutions.

### **Volunteer, Timers Group Institute (TGI)**

*Greater Accra Region — 05/2024 - Current*

- Learned vital skills like teamwork, public speaking, and effective communication through volunteering initiatives.

### **Product Designer, Node Eight**

*Ho, Volta Region — 01/2025 - 03/2025*

- Collaborated with cross-functional teams to design user-centric digital

experiences. Conducted research, wireframing, prototyping, and user testing.

### **User Interface Designer, ShadowFox**

*Accra, Greater Accra Region — 01/2025 - 02/2025*

- Improved UI/UX design skills through hands-on experience and teamwork, working towards dedicated deliverables.

### **User Experience Designer, Ideation Axis Group**

*Greater Accra Region — 09/2024 - 01/2025*

- Worked as an intern, improving UX/UI design skills and collaborating with teams towards project goals.
- 

## **Education**

### **Bachelor of Science — Computer Software Engineering**

Ghana Communication Technology University (GCTU), Accra, Greater Accra Region

*Expected in 01/2027*

---

## **Certifications**

- [Google UX Design Professional Certificate](#)
